CHANGE OF

Sailing Instructions for Club Races

5th January 2018

Introduction

Two changes have been agreed by the Sailing Committee:

- Laser Standards will start with the slow handicap fleet rather than the fast handicap fleet.
- The 2000 class (formally, Laser 2000) should remain in the fast asymmetric fleet.

To that end the fleet divisions from the start on the 2018 winter series will be as below.

Change
